

CoilMax  TM
Drill Faster. Clean Better.

Overview

X-Chem is a leading manufacturer, supplier and distributor for a complete line of coiled tubing, drilling and workover fluid additives. We provide engineered product solutions focusing on enhanced operational efficiency for our customers. Our CoilMaxTM line of fluid additives is designed to save operators significant time and expense while drilling in all types of downhole environments. **Drill faster. Clean better.**

Benefits

- Reduce pump pressure.
- Reduce torque, drag and wall sticking.
- Increase carrying capacity of drilling fluid.
- Enhanced rate of penetration.
- Cut total drilling cost.
- **Drill faster. Clean better.**

Application

- Coiled tubing
- Stick pipe
- Drill outs
- Clean outs
- Workovers

CoilMaxTM drilling additives

X-Chem offers a complete line of CoilMaxTM drilling additives including but not limited to:

Friction Reducers

- Anionic for fresh water (low TDS)
- Anionic for salt water (high TDS)
- Cationic for acid water

Metal to Metal Lubricants

- Oil-soluble liquids
- Co-polymer beads
- Nano beads

Sweep Agents

- Xanthan gel
- Polymer gel
- Guar gel

Specialty Products

- Foaming & Defoaming agents
- Acids
- Clay Stabilizer
- Corrosion & Scale Inhibitors
- H₂S Scavengers

“The performance characteristics of CoilMaxTM fluid additives are well established in the oilfield.”

Drill faster. Clean better.
